This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of SCANA Corporation (SCANA) for a postponement of the date for prefiling its testimony and exhibits, as set out in our Order No. 97-724. In that Order, SCANA Corporation and/or parties other than the Complainant were to prefile testimony and exhibits on or before October 9, 1997. SCANA, through counsel, noted in a letter dated October 3, 1997 that a meeting was to be held with the Complainant and his attorney to discuss the complaint in this matter in detail, and that SCANA was hopeful of reaching some sort of resolution at that meeting. Accordingly, SCANA asks for a postponement of its prefiling date.

We have examined this matter, and have determined that SCANA has stated good cause for postponement of its prefile date until further notice. We also hold that any other party

(besides the Complainant) may hold in abeyance the prefiling of testimony and exhibits in this matter until further notice.

This Order shall remain in full force and effect until further Order of the Commission.
